MAKESOIL

We will soon switch our payment platform to **MakeSoil!** This will make for a more user friendly experience and ways to connect to fellow composters! Details to come.

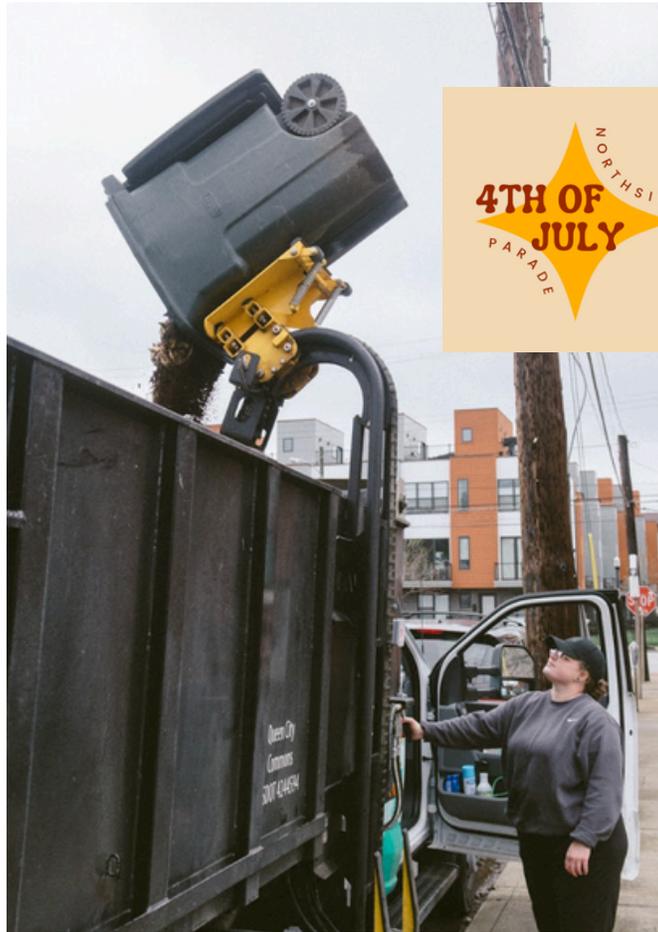

NEXT UP: HYDE PARK PILOT PROGRAM

Get ready for our next neighborhood pilot program! We will soon be offering **FREE DROP OFF for 3 months in HYDE PARK!**

In partnership with the City of Cincinnati Office of Environment and Sustainability and the USDA, this program will include easily accessible + walkable drop-off bins throughout Hyde Park!

We will soon be announcing where bins will be located and where to sign up! Please spread the word to all your Hyde Park friends.

SEE YOU AT THE PARADE!

Come see us at the **Northside 4th of July Parade!** We'll be showing off our dump truck and sharing info about our **Free Northside Pilot Program!**

After the parade, come hang out with us and get your friends signed up to compost at the **Rock N' Roll Carnival!**

SUMMER FOOD SCRAP HACK

Summer is here which means your compost bin might be pretty stinky. The easiest way to combat the funk? **Freeze your scraps!** Store scraps in paper bags and pop them in your freezer (or simply store your collection bin in there). When it's full, you can drop the frozen scraps directly into our community bins. Frozen or thawed, we'll take them all!

CALL FOR COMMUNITY AMBASSADORS

Are you...

- Actively involved in your neighborhood/community?
- Passionate about compost?
- Want to earn extra cash talking about it?

You would be a great fit for our upcoming **Community Ambassador Program.** Email us today at lets.talk@queencitycommons.com and we'll send more info!
