NORTHSIDE UPDATES

Over 200 households in  Northside have signed up for our pilot program! To date, we have collected **11,554 pounds** of food scraps from these sign-ups alone. There are a limited number of spots left in Northside, so sign up if you have not yet done so!

IT'S TIME FOR THE HYDE PARK & OAKLEY PILOT!

Our **Hyde Park and Oakley Pilot Program** has finally launched!

Thanks to the **City of Cincinnati Office of Environment + Sustainability** and the **USDA**, we currently have 8 community compost drop-off locations around the Hyde Park and adjacent area, with more to come. Sites include:

- **Ault Park**
- **Church of the Redeemer**
- **East Hyde Park Commons Playground**
- **Hyde Park Community United Methodist Church**
- **Hyde Park School**
- **Madison Park**
- **Oakley Rec Center**
- **Sleepy Bee Café**
- **+ More to come**

CINCINNATI COMPOST NEWS

- **Laura Lair** (City of Cincinnati) has been building Johnson-Su Bioreactors at community gardens to create passive, no-turn systems that create 1 cubic yard of finished compost in 9-12 months. If you are interested in becoming a host site for a bioreactor, contact Laura at laura.lair@cincinnati-oh.gov
- Turn wasted food into opportunity with **Green Umbrella**, **Hamilton County ReSource**, and **Last Mile Food Rescue** at the **2025 Wasted Food Summit** on October 29th at Memorial Hall.
- Local folks are coming together to create better compost infrastructure around the city and county through quarterly **Coffee + Compost** meetings, hosted by Hamilton County ReSource.

FALL COMPOST GIVEBACK

This year, we have added a small perk to our residential compost drop-off service! Twice a year, we offer a **Finished Compost Give Back**, where members can pick up one 40lb. bag of finished compost made by our farm partner, **Common Orchard Project**. Our spring run was successful, so if you didn't snag a bag then, you are able to do so this fall!
